The Exercise Reas. - In accordance with the preliminary understanding with Jay Gould, Gen. A. S. Diven, Vice President of the Krie Railway Company arrived in this city yesterday, to confer more fully with our loititens is regard to details of the arrangement for the construction of the Easter Railroad. In the afternoon he visited different parts of the city, in company with citizens, and in the evening had an interview with the Committee having the proposed road in charge. After a full and free interchange of views, it was definitely agreed, that on condition that the city furnish \$250,000 of its bonds and the right of way from the east bank of the Manmee river, the Serie Company would contract to build tional delegate for any fraction of two built the Road to connect with the Atlantic & Great Western in the neighborhood af Seville, Medina county, guarantee the interest on the bonds so advanced, and issue to the city stock to an amount equal to the bonds. This agreement to day to be reduced to writing and District, with the number of delegates to taken to New York by Gen. Diven for which each is entitled.] the official approval of Mr. Gould, the city authorities in the meantime to take Crawford. steps to secure the requisite sanction of H the people. This arrangement is regarded as highly favorable, and no time supragramment and treat on 1.800 will be lost in giving it full effect.

The committee importance of a full delegation from each county to the Convention.
